

Unitarian Universalists have many ways of articulating our Principles in simpler language.

Here's the way UUCL's children's programs describe them:

1. We believe that each and every person is important.
2. We believe that all people should be treated fairly and kindly.
3. We believe that we should accept one another and keep on learning together.
4. We believe that each person must be free to search for what is true and right in life.
5. We believe that all persons should have a vote about the things that concern them.
6. We believe in working for a peaceful, fair, and free world.
7. We believe in caring for our planet Earth, the home we share with all living things.
8. We believe in dismantling racism and other oppressions in ourselves and our institutions.
