Dear Friends,

Congratulations on joining the Blue Grass Trust Plaque Program. The plaque on your church is a visual symbol of civic pride and shows that you respect and appreciate the historic value of your property.

The plaque payment includes a year membership in the Blue Grass Trust, and it is my pleasure, on behalf of the BGT board of directors, to welcome you as a member of our organization. The Trust is honored to count you among its thousands of supporters who treasure Central Kentucky's historic resources and architecture. As a private, non-profit organization, the Trust is totally dependent upon the generosity of its members and friends for funding to support its programs and services. And we are particularly grateful to our members for their ongoing generosity and support.

Celebrating our 65th year, the Trust continues its mission to protect, revitalize and promote the special historic places in our community. Your tax-deductible membership dues of \$150.00 help us attain these goals. The Blue Grass Trust for Historic Preservation is a section 501(c)(3) charitable organization. This letter serves as your notice that you have not received any goods or services for your contribution. (Tax Identification No. 61-0518029.)

Please accept our sincere thanks for your interest in the Trust. We value your support and hope you will find your membership in the region's leading preservation organization a rewarding and worthwhile experience. Visit www.bluegrasstrust.org for details about our activities and events.

Sincerely,

Sheila Omer Ferrell
